

# EP AMP XL Compact Electric Utility Vehicle

Here is the answer for the professionals and organisations that are searching for a compact electric utility vehicle with great power, zero emission and an ample load capacity.

This utility vehicle is ideal for light work and as a general transport vehicle. A small profile makes it perfect for security details in congested areas such as parking garages, maintenance sites and college campuses.

- Fully Road Legal
- In Cab Heater
- Air Conditioning
- Stereo System
- Alloy Wheels

<b>Height</b>	1695 mm	<b>Cargo Size</b>	1500x1300x265mm
